Girls Circle

Girls Circle is a model of structured support for girls from 9-18 years. It is designed to:

- Build self esteem
- Connection with peers
- Counter trends of self doubt
- Self expression through verbal sharing & creative activities

When girls voice their ideas and opinions in a safe environment, it strengthens their confidence and encourages them to express themselves more fully. By examining cultural expectations in a safe and supportive setting, girls gain greater awareness of their options and strengthen their ability to make choices that are consistent with their values, interest, and talents.
