

YOUTHZONE ASCENT FILM PROJECT REGISTRATION

Please complete this application and return to YouthZone by June 30.

Express the emotional impact of living in this upside-down world of social isolation and the hope and possibility you envision moving forward in a **3 to 5-minute film**. Focus the ideas of your project around: **recharge, giving, inspire, create, opportunity, gratitude, hope, connection, restore and/or possibility**. Registration for YouthZone's 2020 digital version of Ascent is open to middle and high school age youth.

Christopher Tribble, Versatile Productions, Inc., will mentor film makers this summer to create movies or slideshows that share an acting performance, music, writings, dance, poetry or photography.
