YOUTHZONE 2020 \$20,000 CHALLENGE

YouthZone is committed to providing the same level of services to our youth from Aspen to Parachute, but we are experiencing unparalleled losses in funding with the Covid-19 impact on the economy. Government funding sources that have provided annual support have been drastically reduced or cut entirely in 2020, while private foundations and donors have suspended or redirected their funding.

Be a part of YouthZone's 2020 \$20,000 Challenge to sustain the well-being of our youth. \$6,000 has already been raised. The remaining \$14,000 can be met with a gift of **just \$50 from 280 supporters.**

**Youth discover
self-identity**

when building their value system

Teenagers are known to be experimenters trying on the values of those around them. At YouthZone, our staff talks with our young clients about what values are important to them. Values and self-identity are intertwined. Adults' positive interaction can make a difference to the adolescents in their lives.
