2nd Annual Ascent Youth Film Festival a Success!

YouthZone's 2nd Ascent Annual Youth Film Fest, held October 1st, saw eight young film makers create seven films. Project themes were of the film creators choice and centered on a wide range of subjects from their pet lizards to mental health awareness in adolescences; NASA to depression recovery; inspiration derived from nature and art to driving smart to feminism. YouthZone is proud to celebrate and acknowledge the hard work of these young film producers.

Development Director, Carol Wolff and the entire Youth Zone staff would like to extend our humble thanks to Ascent's business sponsors and in particular,

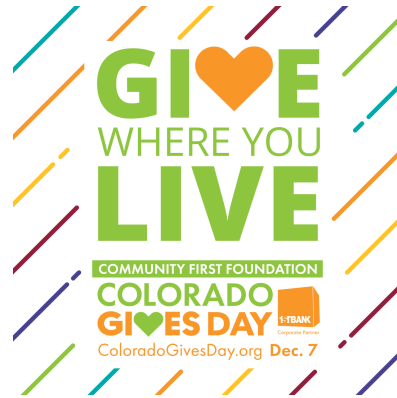

Presenting Sponsor, Alpine Bank. To all of the generous businesses who donated to the silent auction, to those who purchased tickets to the event and bid on the silent auction items, we thank you as well. Through this event, YouthZone was able to raise over \$85,000 to support the important work we do with our community's youth. We couldn't have done this without each and everyone of you!

Still want to contribute to the event? It is not too late!
