## Welcome to the Team, Michelle!

"I love working with youth and families. It's also a privilege to be able to give back to the same community that I grew up in and gave so much to me in my youth years."

- Michelle Lopez, *Substance Use Prevention and Intervention Specialist*

## Do You Know a Young Filmmaker?

Every year, local teens have the chance submit their own films for competition. The annual Ascent Film Festival Fundraiser gives youth from Aspen to Parachute the chance to share their understanding of the world in a creative way, while giving back to the community.
