## **A Year in Review Celebration at YouthZone**

"As we embark on another exciting year at YouthZone, we reflect on the incredible accomplishments we achieved together. From impactful programming to generous support, we've made significant strides in empowering youth and families in our community.

At the heart of YouthZone's work are our programs that aim to uplift and support both youth and families. In 2023, we had the privilege of serving 420 clients with 1,580 family members impacted. By providing them with counseling, substance use education, deferred sentencing, restorative justice, and other life-changing services numerous teachers, classmates, neighbors, business owners, and crime victims were positively impacted as well."

## YouthZone's The Space - a Place for LGBTQIA+ Youth

"LGBTQIA+ youth peer groups are invaluable in providing a safe, positive space for young people to come together and support one another. These groups can help to reduce feelings of isolation and alienation, as well as providing an opportunity to learn and get involved in advocacy work.

They can also help to promote healthier attitudes towards gender and sexuality in the wider community."

Join YouthZone's The Space, a LGBTQIA+ youth peer support group. We offer three peer groups from Parachute to Aspen.
